

**ADULT & JUNIOR MEMBERSHIP ENQUIRY FORM  
2018**

Careel Bay Tennis Club (CBTC) was established in 1977. Since then the Club has built and now manages 5 courts and a clubhouse at Hitchcock Park, Barrenjoey Road, North Avalon on land leased from Pittwater Council.

The Club offers members controlled social tennis on Saturday and Sunday afternoons, Club Championship events (Junior, Open, Veteran and Vintage) and enters teams in Tennis Northern Beaches weekend and evening competitions. In addition, the Club has allocated playing times during the week for members, and at other times members and the public can hire courts subject to availability.

Membership is subject to applicants being capable of demonstrating a reasonable standard of play and acceptance by the Management Committee. The minimum required standard is not high but you must show that you have all the basic tennis strokes and can sustain a rally. The US Tennis Association level 3.0 describes an acceptable level of ability as follows -

“Players are expected to be of a standard to place shots with some success, can sustain a rally of moderate pace but are not comfortable with all strokes. Players may lack serving consistency but can keep the ball in play for several shots without missing.”

If that sounds like you then membership should suit and the relevant annual fees are –

Adults - \$100 joining plus \$195.00 per annum / Juniors (12-17 years) \$95.00 only per annum

Please lodge the form with the Club Captain at the courts or mail to –

Careel Bay Tennis Club, P.O. Box 294, AVALON BEACH 2107
