

SECURITY AND PRIVACY STATEMENT

INFORMATION COLLECTED

Information collected by Careel Bay Tennis Club is personal information.

This data includes your first name, last name, email address, telephone number and postal address.

This information is entered by the user for the purpose of Club transactions.

HOW THE INFORMATION IS USED

Careel Bay Tennis Club uses your personal information:

- So you can identify yourself when making an online booking or registration;
- To contact you about a specific booking or registration, or;
- To provide you with information about bookings and the Club.

Your personal information is not distributed to any other organisation for any purpose.

SECURITY

The Careel Bay Tennis Club website is protected by Secure Sockets Layer (SSL) technology provided by Intrac Australia Pty. Ltd. and can cover 128-bit or greater.

This is indicated by the padlock symbol on your browser and means that all data sent between your browser and the server is encrypted, including your log in, profile and credit card details.

Credit card transactions are processed immediately using a secure payment gateway to the banking system, so we do not store your credit card details and provide you with instant feedback on the status of a transaction.
